

Burnaby Lake Rugby Club Youth Coaching Dues Rebate Program

1 Purpose

Burnaby Lake Rugby Club develops most of its future rugby players in the Club's youth program. To be successful, the youth program requires club members to volunteer their time as coaches. To thank and recruit volunteers, the Club is offering a \$100 dues rebate to senior players who coach the Club's age-grade rugby teams or high school rugby teams that supply players to the Club.

2 Eligibility

To be eligible for the youth coaching dues rebate program, an applicant must:

1. be a senior member, full or student, in good standing of the Burnaby Lake Rugby Club; and
2. undertake to attend at least 12 team practices, of a single age-grade or high school team, in a single season.

Dues rebates will only be given to applicants who attend at least 12 team practices. Dues rebates will not be issued on a pro-rated basis for applicants who attend fewer than 12 practices. Applicants who coach teams that do not complete their seasons will receive credit towards the 12 practice requirement for coaching another age-grade team in the same season.

3 Application Requirements

There are a limited number of dues rebates available; it is not certain that all applicants will be chosen to participate in the dues rebate program. Applicants must submit an application letter stating a schedule of times they are available to coach, and, optionally, a list of age-grade teams or high schools they prefer to coach. Applicants are advised to submit schedules of availability that match the practice schedules of age-grade or high school teams; schedules for age-grade teams are posted on the Club website. Participants in the dues rebate program will be chosen based on previous coaching experience and demonstrated commitment to Club programs.

5 Submission and Deadline

Applications must be submitted to Jeff McKay before midnight September 12, 2008.

6 Notice of Acceptance

Participants will be notified of their acceptance by September 19, 2008 and assigned a team to coach. Participants will be required to sign an agreement confirming their undertaking to coach at least 12 team practices. Dues rebates will be issued at the end of the playing season of the teams coached, after the Club has confirmed that the requirements of the program have been met.
