

## **Burnaby Lake Rugby Club Refereeing Program**

### **1 Purpose**

Burnaby Lake Rugby Club recognizes that a supply of quality referees is essential for fair and enjoyable rugby. The Club offers a referee development program through which the Club subsidizes the cost of referee training, arranges for refereeing assignments, and remunerates referees for officiating games at the rate of \$25 per game.

### **2 Eligibility**

To be eligible for the refereeing program, an applicant must:

1. be a senior member (full or student) in good standing of the Burnaby Lake Rugby Club; and
2. undertake to attend and pay \$50 towards the cost of a referee training course and referee at least five games in the current season.

### **3 Application Requirements**

There are a limited number of spaces available in the referee training course; it is not certain that all applicants will be chosen to participate in the dues rebate program. Applicants must submit an application letter stating a schedule of times they are available to referee coach. Applicants are advised to submit schedules of availability that match the game schedules of age-grade or high school teams. Participants in the refereeing program will be chosen based on availability and demonstrated commitment to Club programs.

### **5 Submission and Deadline**

Applications must be submitted to Jeff McKay before midnight September 12, 2008.

### **6 Notice of Acceptance**

Participants will be notified of their acceptance by September 19, 2008 and informed of the details of the referee training course and of how games are assigned.
